

NAVARA

It's all about confidence. The feeling that whatever you do, wherever you want to go, you can count on the New Navara to take you there. So get ready to take it to the next level, and make every day an adventure, with capability that opens up a whole new world for you to explore. The New Navara is loaded with the tech you need, so you're ready to shift into 4X4 and cruise through rolling dunes or climb up a fire trail with unmatched capability. You can do it all with big, bold style. The New Nissan Navara. Geared to excite. Pure, authentic, and ready for whatever comes next.

INTELLIGENT AROUND VIEW MONITOR*

It's a tight squeeze, but you'll get through without a scratch.

The path is so tight, you hold your breath going through. But you know you'll make it with the Navara's advanced tech on your side. Wheel-scraping boulders? Severe drop-offs? No worries. Four cameras will give you a 360° overhead view of obstacles. Think of it as your own high-tech spotter on board.

your personal spotter. With a designated off-road mode that activates at slow speeds in 4 LO, it gives you a clear view of the surrounding terrain. This helps you see exactly where to drive your front wheels.

*Available in Pro-4X and VL variants. **Available in Pro-4X and VL 4x4 only.

SAFETY AND DRIVER ASSIST TECH

Wherever you go, bring a wingman.

Just because you don't see them, it doesn't mean they're not there. A car in your blind spot, or someone zipping by as you're backing out of a crowded parking lot. But relax, whatever comes your way, you've got a wingman.

Blind Spot Warning*

Change lanes with confidence. With this feature, you have an extra eye for blind spots. It gives you visual and audible warnings when the sensors detect unseen vehicles.

Intelligent Emergency Braking**

Help is ready when you need it. The Navara monitors your speed and distance from the car in front and lets you know when you need to slow down. It automatically engages the brakes to help avoid a collision or lessen the severity of the impact.

Lane Departure Warning*

Stay between the lines. When lane markings are clear, the Navara detects if you're straying away, and gives you visual and audible alerts to help guide you back.

Rear Cross Traffic Alert*

Fear no parking space. When you're backing out of a tight spot, you've got a partner that watches your Navara's rear. This feature detects incoming cars from either side and alerts you with visual and audible warnings.

Intelligent Forward Collision Warning**

The Navara is on the lookout to keep you safe. It detects and alerts you when sudden deceleration happens in front of you. It also warns you when you need to slow down.

You've picked a climb so remote, it isn't even on the map. Now you need advanced tech to own the road. Slippery path? Power through like a pro and let the Electronic Locking Rear Differential* dig in. Rough ruts and bumps? Be in complete control as the Navara's long-travel off-road suspension smoothens your ride. When you're faced with challenging terrains, don't worry – with the Navara, it's your playground.

*Available in 4x4 variant only.

Hill Descent Control*

Going down steep hills are more manageable with this tech. It automatically adjusts your speed and brake pressure to help you cruise along safely.

Hill Start Assist

When you're on a steep incline, you can safely switch from the brake to the accelerator pedal with the help of this tech.

4 - Wheel Active Brake Limited Slip

Automatically directs power to the wheels with the best traction.

Electronic Locking Rear Differential*

When 4WD mode doesn't cut it, this feature helps boost traction to keep you moving forward.

*Available in 4x4 variant only.

UTILI-TRACK CHANNEL SYSTEM*

Squeeze the most out of every day.

More toys make days extraordinary. Get up before the sun, load up your board, grab a big cup of coffee, and find that secret spot you can only reach with a tough truck — the Navara's up for it. Mountain biking after surfing? Rock climbing? Go for it. You've got easy access and a big back bed to bring what you need. While you have the time of your life, the Utili-Track* will keep your gear locked in and secured.

Photo shown with optional bed liner accessory.

Utili-Track Channel System*

Innovative cargo for extraordinary days. This system has two channels running the length of the pickup bed, plus four heavy-duty cleats that let you position stable tie-down points practically anywhere.

Integrated Bumper Step

With a truck bed, getting what you need is vital - especially when loaded. The Navara's new integrated bumper step gives you easy access.

*Available in Pro-4X and VL variants.
**For the VE 4X2 A/T variant only.

Photo may vary from actual unit. Nissan Philippines, Inc. reserves the right to alter, delete, or enhance features and specifications without prior notice, depending on market requirements.

Never bend in the face of adventure.

Get axle-deep in fun. The Navara's toughness means confidence you can feel. So go ahead and challenge yourself. Cruise the dunes, crawl over boulders – even ford a stream. With a combination of strength and skill that come from decades of building authentic off-road trucks, the Navara will take you wherever you want to play.

Fully Boxed Frame

Unlike some three sided frames, a fully boxed ladder frame won't twist over uneven terrain. This means more strength, and ultimately, more capability.

5-Link Rear Suspension

The Navara's 5-link rear suspension helps give a smoother ride, even in severe conditions. It also provides a more comfortable ride for those seated at the back.

Ground Clearance

With generous ground clearance, and superior approach and departure angles, the Navara is adept at fording ravines and climbing seriously rocky terrain.

Whether it's to beat the crowds – or be part of the crowd – advanced tech is your guide. Apple CarPlay* integration and Android Auto* let you connect the way you want, and you can even customize the 8-inch touch-screen display* like your favorite tablet. Did we mention the New Navara also has a state-of-the-art USB-C port for rapid charging? You can stay connected while you go around town all night.

INTERIOR WITH ZERO GRAVITY SEATS

Find sanctuary wherever you go.

Relax in so much comfort and style, you'd never want to leave. Whether it's a road trip with the crew or date night, you've got premium accommodations: unique interior trim, special orange-accented logos and stitching*, and anodized black panels. Make those long drives feel short with a quieter cabin featuring full-support Zero Gravity leather front seats**. Take your ride the way you want it with Dual Zone Automatic Climate Control***. Inside the Navara, every seat is the best in the house — a power adjustable driver's seat****, recontoured rear seats with new rear armrests, and dual cupholders at the back.

Comfortable Rear Seats

Passengers can sit pretty at the back on seats built with comfortable springs and high-bumping urethane foam pads.

Noise-Reducing Acoustic Glass

Hear less of that road and engine noise so you can focus on enjoying your drive.

Zero Gravity Front Seats

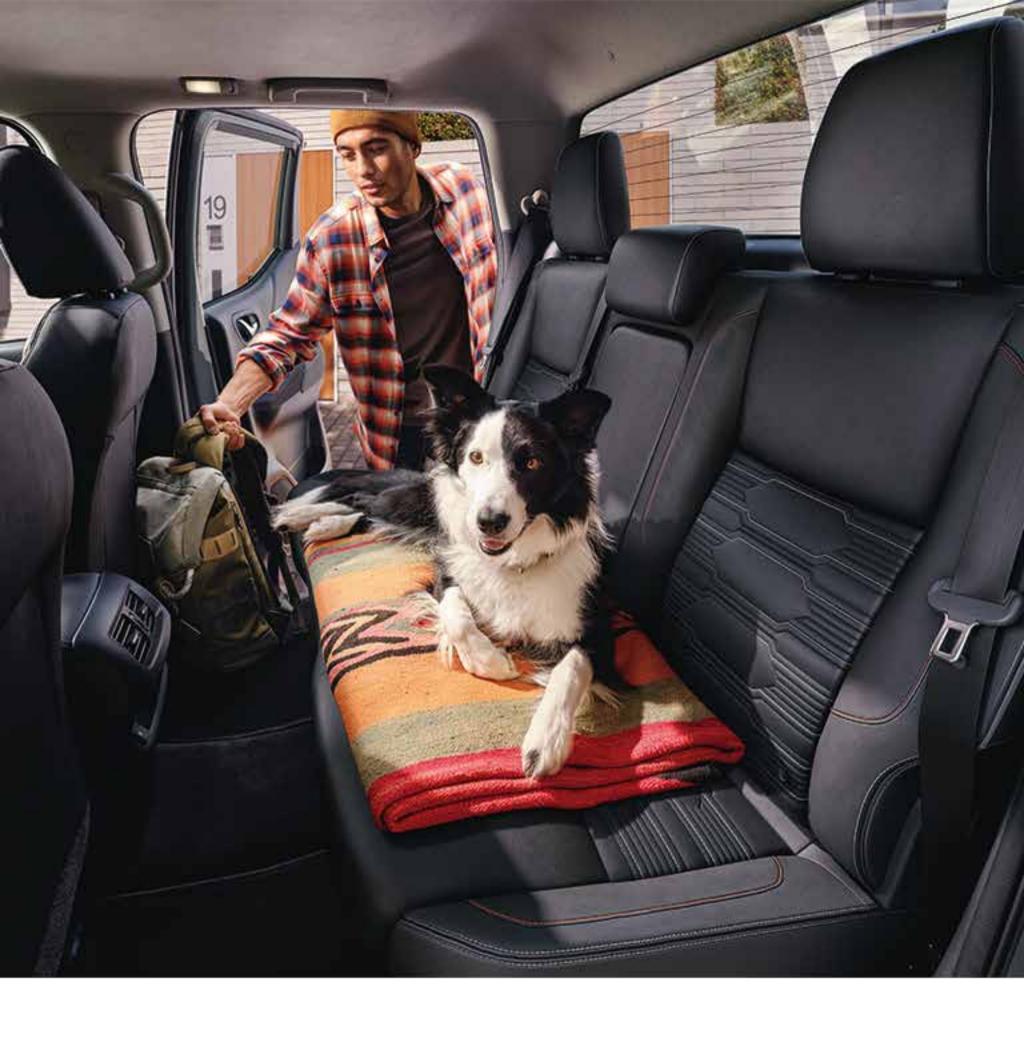

Inspired by the weightless posture of astronauts in space, Nissan designed front seats that provide generous support to help reduce fatigue.

*Available in Pro-4X variant only.

**Available in Pro-4X and VL variants.

***Available in Pro-4X, VL, and VE variants.

***Available in VL variant only.

SECOND-ROW FLEXIBILITY

Flip it up, or just stretch out and enjoy.

The Navara maximizes storage inside and out. The rear seats have compartments underneath to keep things from prying eyes. You can also flip them up when you need to carry bigger items. They also feature a fold-down armrest with cupholders, and were redesigned to provide more support, so your best friend stays comfortable on long drives too.

CARGO AND STORAGE

Store it. Hide it. Lock it. Love it.

Life can be messy, but the Navara is designed to bring order in the truck. Tuck away things with a high-capacity glove compartment, a roomy center console, and dedicated storage under the climate control. Keep your electronics charged up with accessible USB ports. You can also see Nissan's innovation in every section of the Navara. Even the cupholders are multifunctional. Perfectly shaped for your drinks, dog treats, and your gadgets.

THE NEW NISSAN NAVARA

Everything on the agenda, and nothing off-limits.

The Navara gives you that heart-pounding excitement just by looking at it. And when you drive it, everything is yours for the taking. Stand-out rugged looks with a brave face hungry for adrenaline. Go out and bring your friends, you've got plenty of room. Climb a mountain. Cruise along the desert. Hit the beach. It's a whole new world. With its power and advanced mobility tech like no other, anywhere could be your playground.

So gear up, and be ready for a brave new ride. This is what it's like to drive an authentic hardcore truck.
